

Valid from 01.01.2012

**CHAPTER ONE – Non-Community goods****I. Transshipment operations****1. Goods in general packing – in Euro per ton**

Type of transshipment	Unloading	Loading	Transshipment
Manual	7.00	6.00	8.50
Mechanized	4.00	3.50	4.50
Bulk goods	Subject of agreement	Subject of agreement	Subject of agreement

**2. Containers - in / from open warehouse – in Euro per unit**

Type of container	Unloading		Loading		Transshipment	
	Full	Empty	Full	Empty	Full	Empty
20 F	25.00	15.00	25.00	15.00	30.00	16.00
40 F	30.00	20.00	30.00	20.00	35.00	30.00

**3. Motor vehicles and agricultural machinery by using loading machinery – in Euro per unit**

Type and loading capacity	Unloading	Loading	Transshipment
Motor vehicles up to 5 tons and equalized to them	14.00	14.00	20.00
Motor vehicles 5-10 tons and equalized to them	18.00	18.00	25.00
Motor vehicles over 10 tons and equalized to them	Subject of agreement		

**NB:**

- Under manual transshipment is understood the handling of nonpalletized cargo or cargo that does not allow direct mechanized handling. When using additional mechanical machinery in cases of manual handling of cargo, the transshipment it is considered to be manual.
- For piling up, stacking and fastening of loads the transshipment prices for transshipment operations are increased by 30%. Supply of materials for fastening of loads is ensured on behalf of the client or is charged by 20% for delivery-preserving expenses.
- When the value for the transshipment operations for one and the same client exceeds 3000 Euro without VAT, the defined in Section I prices for transshipment operations for next quantities can be reduced at the request of the client with 5% for the rest of the current calendar year and when the value exceeds 6000 Euro without VAT – may be reduced at request totally up to 10% for the prices in Section I of the Tariffs for the next quantities until the end of the current calendar year. The discount is available to clients with no debt due to the Zone.
- Repeatedly corrections of the prices are made consecutively on the base of the corrected already prices.
- The transshipment operations of goods within the working hours are possible only after a coordinated with the Zone 24-hour written in advance notice and the operations over working hours – only after a coordinated with the Zone 48-hour written in advance notice. In case when the preliminary declared motor vehicles differ from the actually arrived with more than 5 %, each declared, but not yet arrived in the Zone vehicle is charged with Euro 10,00 excluding the cases when mechanized handling is used within the working hours defined in it. 11.
- The prices according to this para as well as any other individual written arrangements are increased with 25% in case of non presentation of prompt written advance notice for forthcoming acceptance, expedition or transshipment of goods at the territory of the zone. The increase is not applied when mechanized handling is used within the working hours defined in it. 11.
- Prices for transshipment operations of goods with unusual size, weight, nature or voluminous goods with extreme disparity between their weight and their size are negotiable.
- For handling with consequent containerizing and decontainerizing of loads, the prices due are the transshipment price for the container and transshipment price for the load.
- For moving of goods from the railway loading/unloading area to warehouse and vice versa over distance of more than 70 meters, the transshipment prices are increased by 30%. By railway loading/unloading area is understood the railway ramp and the ground surface within 30 meters of the axis of each outside rail track.

10. Any transshipment operations of light or heavy self-propelled motor vehicles are performed by the client or by his carrier.
11. The prices specified in para I are valid within working hours of the Free Zone: Monday-Friday, 8.30 a.m.- 5.00 p.m. The transshipment prices for operations over working hours are increased according to para VI.
12. Accepting of goods and documents for handling is possible till 15.00h.

**II. Warehousing**
